WELCOME MESSAGE

The International Association of Oral and Maxillofacial Surgeons (IAOMS) invites you to the 26th International Conference on Oral and Maxillofacial Surgery (ICOMS) on May 22–25, 2025, at Marina Bay Sands in Singapore. The major location will be the Sands Expo & Convention Centre, with social events nearby.

ICOMS 2025 promises an exceptional scientific program, an attractive location, engaging social events, and the chance to network with surgeons, colleagues, and friends from all around the world. Registration for ICOMS commences in early September, with early bird registration pricing available until February 2025.

I am convinced that through professional symposia, lectures, poster sessions, and informal talks, you will learn with and from colleagues from all around the world. Whether you are a surgeon, trainee, allied health professional, or otherwise involved in the OMF field, ICOMS promises to provide you with the most recent best practices, research, and new scientific developments to help you deliver excellent patient care, grow your practice, and advance our profession.

The Marina Bay Sands in Singapore is a wonderful destination, with impeccable amenities and nightlife that will make this a destination event for our attendees. As you prepare to attend the conference, we hope you will take some time to explore Marina Bay Sands and participate in the fantastic social events we have organized.

We look forward to seeing everyone in Singapore!

Dr. Sanjiv Nair
President, IAOMS

WELCOME MESSAGE

Dear Colleagues and Friends,

On behalf of the Scientific and Program Committees, we are thrilled to invite you to the 26th International Conference on Oral and Maxillofacial Surgery (ICOMS), which will be held from May 22–25, 2025 at Marina Bay Sands Singapore.

This prestigious event promises to bring together some of the finest minds in oral and maxillofacial surgery, providing an unparalleled platform for the exchange of ideas, research, and best practices. The Scientific Committee has carefully designed a program that covers a wide range of key themes within our field, and we are excited to see the contributions that each of you will bring to the table.

We encourage you to submit your abstracts and share your latest work in one of the many compelling themes that ICOMS 2025 will highlight. Whether your focus is on Cleft and Craniofacial Anomalies, Orthognathic & Aesthetic Surgery, Craniomaxillofacial Trauma or Reconstructive Surgery, this conference will be a unique opportunity to present your research to a global audience of peers. Additionally, topics such as Dental Implantology, Sleep Apnea, Dentoalveolar Surgery, TMJ Surgery and Disorders, Head & Neck Oncology, and Oral and Maxillofacial Pathology will also be at the forefront of our discussions. In keeping with the rapidly evolving nature of our profession, we are particularly eager to see contributions that explore New Technologies in oral and maxillofacial surgery, as well as any other innovative topics you wish to present. This is your chance to be part of a cutting-edge scientific program that will shape the future of our field.

Submitting your abstract for ICOMS 2025 not only offers the opportunity to showcase your work but also allows you to engage with a community of experts who are as passionate about advancing oral and maxillofacial surgery as you are. Whether you are presenting groundbreaking research, innovative techniques, or important case studies, your contributions will play a crucial role in the success of the conference.

We strongly encourage all of you; surgeons, researchers, trainees, and allied health professionals to submit your abstracts and be part of this global exchange of knowledge and expertise. ICOMS 2025 is more than just a conference; it is a gathering of the brightest minds dedicated to advancing patient care and pushing the boundaries of our field.

Join us in Singapore for what promises to be an inspiring and transformative event. We look forward to receiving your abstracts and welcoming you to an unforgettable experience at ICOMS 2025.
