

CONTINUING EDUCATION 2024-2025

# Hands-on Cadaver Intensive Course in Orthognathic Surgery and Ancillary Procedures

Universitat  
Internacional  
de Catalunya  
**Faculty of  
Dentistry**

**ADA CERP®** | Continuing Education  
Recognition Program

Universitat Internacional de Catalunya, Fundació Privada is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [CCEPR.ada.org](http://CCEPR.ada.org).

Over recent years, the treatment of maxillofacial conditions with orthognathic surgery has undergone a revolution. The reach and objectives of this kind of surgery have been redefined so as to cover three basic pillars:

- 1) Correcting underlying malocclusion and skeletal discrepancy.
- 2) Upper airway obstruction management.
- 3) Harmonisation of facial aesthetics.

At present, there are currently no continuing education programmes in this field in any University, either in Spain or abroad. This hands-on course aims to provide participants with a comprehensive practical overview of all the techniques involved in the orthognathic surgery spectrum, including ancillary procedures to optimise aesthetic results. To this effect, we have designed a predominantly practical course using cryopreserved cadaver heads.

### Department responsible

Oral and maxillofacial medical-surgical pathology Area  
Faculty of Dentistry

More information

## Direction and coordination

### Coordinators

- Dr Federico Hernández-Alfaro
- Dr Adaia Valls

### Academic Board

- Dr Samir Aboul
- Dr Carlos De la Fuente
- Dr Francesc Duran
- Dr Mahdi Ghloom
- Dr Federico Hernández-Alfaro
- Dr Alejandro Mazarro
- Dr Ramón Sieira
- Dr Adaia Valls

## Objectives

- To review the relevant clinical anatomy for treating maxillofacial conditions.
- To review and practice all the contemporary techniques in orthognathic surgery.
- To review and execute all contemporary techniques in facial esthetics optimization in the context of orthognathic surgery.
- To review and practice all the contemporary techniques in facial aesthetics in the context of orthognathic surgery.
- To provide an update of surgical techniques in this field of knowledge.

### Dates

May 8th and 9th, 2025

### Schedule

Thursday and Friday from 9am to 6pm

### Accreditation

2 ECTS

### Price

€4,000

### Location

Universitat Internacional de Catalunya  
Sant Cugat Campus

### Contact

Paola Lago / Marta Utset
