

AMSTERDAM

ECHNO2025
European Congress on
Head and Neck Oncology

11th European Congress on Head and Neck Oncology

26 - 29 March Amsterdam, the Netherlands

Why join us at ECHNO?

At ECHNO, we pride ourselves on offering a multidisciplinary podium that brings together professionals from around the world. Our program features presentations from internationally recognized speakers, numerous sessions selected from submitted abstracts, and engaging discussions within the meeting themes. Moreover, we present captivating keynotes, symposia, and invited lectures, all meeting the highest standards in the field of head and neck oncology.
